### VERSE 1

Lot of ground to cover to convince myself she'll stay  
Don't have to be better than any other, just faster than today  
Forever's not over yet  
No matter how gone she may get  
Bad news never gets heard  
If I can just outrun one word

### CHORUS

And if my tears fall at the speed of light  
no one will see me cry tonight  
They won't care, I'll stay lighter than air and she won't bring me down  
If I can stay one step ahead of time  
the day won't come when she's not mine  
her goodbye will never find me if I live, faster than the speed of sound

### VERSE 2

Soundwaves crashing behind, heartache on my heels  
Can't slow down to hear how her goodbye feels  
Lifetime riding on this flight  
Just need to outpace day and night  
Eyes don't want to see past her  
Heart keeps saying faster, faster

### BRIDGE

Faster than the speed of sound  
faster than the world around  
the sun, the blink of an eye  
living a soundproof lie  
safe from her goodbye, safe from her goodbye

### CHORUS

And if my tears fall at the speed of light  
no one will see me cry tonight  
They won't care, I'll stay lighter than air and she won't bring me down  
If I can stay one step ahead of time  
the day won't come when she's not mine  
her goodbye will never find me if I live, faster than the speed of sound
